

CV Form

Hashem Jarineshin

*Assistant Professor, Department of anesthesiology and critical care and pain
, Faculty of Medicine,
Hormozgan University of Medical Sciences, Bandar Abbas, IRAN*

CV (Curriculum Vitae)

Last updated July 30, 2014

Personal Information	Education	Academic Appointments
Trainings Passed	Publications	Experience
Research Projects	Presentations	Students Supervised
Scientific-Executive Records	Honors, Awards and Inventions	Professional Memberships
Research Interests	Cultural & Social Activities	Referees

A. Personal Information

First Name Hashem

Last Name: Jarineshin

Date of Birth: 1970

Marital Status: Married (or Single or Divorced) **Married** children 2

Tel: (office) (+98 7633347000-5 2117

Fax: (+98 7633347009

E-mail: hjarineshin@yahoo.com

Home Page:

P. O. Box: 7916819813

B. Education

Degree	Field	Institution	City	Country	Date
Fellowship	Cardiac Anesthesia	Iran University Of Medical Sciences, Shahid Rajaei Hospital	Tehran	IRAN	2009

Specialist	Anesthesiology	SUMS	Shiraz	IRAN	1999
MD	Medicine	HUMS	Bandarabbas	IRAN	1995

C. Academic Appointments

<u>Year</u>	<u>Academic Rank</u>	<u>Institution</u>
2002-present	Assistant professor	HUMS

D. Trainings Passed

D.I. Courses

2013 6 Month course of research fellowship

HUMS,Bandarabbas-IRAN

2012 2 days course of ultrasound guided nerve block and central line insertion

Sharjah clinical and surgical training center,university of sharjah,UAE

2009 1 month course of thoracic surgery and anesthesia

Massih Daneshvary hospital of shahid beheshti university medical sciences,Tehran-IRAN

2008 2 month course of transesophageal echocardiography(TEE)

Lavasni hospital of Tehran

D.II. Workshops

- 2014 1-day workshop of Quran scholar and medicine**
- 2014 1-day workshop of promotion of faculty member**
- 2014 2-days workshop of strategic planning**
- 2014 1-day workshop of proposal writing**
- 2013 1-day workshop of resuscitation of newborn**
- 2013 1-day workshop of paper writing & scientific resources and text research in database**
- 2013 1-day workshop of the skill of statistic analysis of data**
- 2013 2-day workshop of civilization history in islam**
- 2013 2-days workshop of advanced research**
- 2013 2-days workshop of ultrasound guided nerve block & central line insertion course**
- 2013 1-day workshop introducing sciencedirect database**
- 2013 1-days workshop of advanced research**
- 2013 1-days workshop of preliminary research**
- 2012 1-day workshop of modern clinical evaluation**
- 2012 1-day workshop of familiarity with nanotechnology**
- 2012 10-days political idea and religious state and professional ethics**
- 2012 1-days workshop of OSCE**
- 2012 2-days workshop of OSCE**

- 2012 2-day workshop of research of digital resources**
- 2011 2-days workshop of interventional studies and clinical trial**
- 2010 1-day workshop of laser acupuncture**
- 2010 1-day workshop of laser in surgery**
- 2010 1-day workshop of modern clinical evaluation**
- 2010 1-day workshop of medical paper critique and medicine evidence based level 1**
- 2010 1-day workshop of medical paper critique and medicine evidence based level 2**
- 2010 2-days workshop of Evidence Based Medicine**
- 2010 2-days workshop of standardized quiz**
- 2010 2-days workshop of advanced research**
- 2010 1-days workshop of advanced research**
- 2010 2-days workshop of evidence based journal club**
- 2010 2-days workshop of OSCE**
- 2010 1-days workshop of OSCE**
- 2010 1-day workshop of modern clinical evaluation methods**
- 2009 2-days workshop of SPSS**
- 2009 2-days workshop of preliminary research**
- 2009 1-day workshop of paper judgment**

E. Publications

E.I. Articles

E.I.1. In Persian

1. Sharifi M , Jarineshin H, Fekrat F et al. Identifying The Suitable Depth for Central venous Catheter Placement: The Conventional 15 centimeter or C-length approach ? *Journal Of Iranian Society Of Anaesthesiology & Intensive Care* (in press\)
2. Kashni S, Jarineshin H, Fekrat F et al. A comparison of direct laryngoscopy and videolaryngoscopy for endotracheal intubation in patients who need intubation for their elective surgical operation. *Journal of Iranian society of anesthesiology and intensive care*. 2013;35(81):32-41
3. Malekshoar M, Jarineshin H, Kashani S et al. Management of anesthesia in patient with ruptured abdominal aortic aneurysm (case report). *Hormozgan medical journal*. May-Jun 2013;17(2):191-5
4. Sobhani Gh, Jarineshin H, Kashni S et al. Effects of remifentanyl and fentanyl on cardiovascular responses to tracheal intubation. *Hormozgan medical journal*. Dec-Jan 2012;16(5):355-61
5. Jarineshin H et al. Study Of Correlation Of Glasgow Coma Score And Bispectral Index In Mild And Moderate Traumatic Brain Injuries. *Journal of Urmia nursing and midwifery faculty*. Nov-Dec 2011;9(5):394-9
6. Alavi S M, Babae T, Sadeghpour A, Naghipour B, Seddighinejad a, Jarineshin H. Comparison of the effect of gelatin solution, ringer solution and voluven in the hemodynamic status of CABG patients during transfer to ICU and early postoperation. *Iranian surgery journal*. 2011;18(3)
7. Jarineshin H, Kashni S, Sobhani Gh et al. Effects of clonidine on the hemodynamic changes of electroconvulsive therapy. *Hormozgan medical journal*. 2008;12(1):21-5
8. Jarineshin H, Razmpour M. Comparison of hemodynamic changes of propofol and thiopental during induction of anesthesia and tracheal intubation. *Hormozgan medical journal*. 2006;10(3):215-21
9. Saeed Kashan , Hashem Jarineshin , Faridoon fekrat et al. Comparing the effects of magnesium sulphate and remifentanyl on the hemodynamic responses after laryngoscopy and endotracheal intubation. *Journal of Iranian society of anesthesiology and intensive care*. 2015;36(87):28-36
10. maryam Pourbahri , Saeed Kashan, Mehrdad Malekshoar et al. Comparative Study of Incidence of Postdural Puncture Headache (PDPH) Following Median and Paramedian Approach During Cesarean Section Under Spinal Anesthesia . *Journal of Anesthesiology and pain*. 2015;6(1):9-20

E.I.2. In English

1. Hashem Jarineshin, Saeed Kashani, Majid Vatankhah et al Seizure Duration and Hemodynamic State during Electroconvulsive Therapy: Sodium thiopental versus Propofol *Global journal of health sciences* 2016; February. 8(2):126-131
2. Hashem Jarineshin , .saeed Kashani , Majid Vatankhah et al. Better Hemodynamic Profile of Laryngeal Mask Airway insertion Compared to Laryngoscopy and Tracheal Intubati. *Iranian Red Crescent Medical Journal*.2016 ; August.17(8);1-8
3. Vatankhah M, Jarineshin H, Fekrat F et al. Variations of blood glucose level in non-diabetic patients before and after Electroconvulsive Therapy. *Hormozgan medical journal*.2015;18(6):498-502
4. .Jarineshin H, Kashani S, Madani A et al. Effects of different concentration of fentanyl on the incidence and severity of fentanyl-induced cough during anesthesia induction: A double blind controlled study. *Journal of current research in science*.2014;2(6):965-70
5. .Chuhedri A, Jarineshin H, Qasemi F. Comparison of effects of droperidol alone and droperidol with dexamethasone for prevention of nausea and vomiting. *Anaesthesia, pain & intensive care*. June 2007;11(1):3-7

E.II. Books

2014

Pharmacology Dictionary

Anesthesia, critical care and pain management research center
Sabura press. Bandarabbas-Iran

F. Experience

F.I. Teaching

- | | |
|---------------------|---|
| 2000-2011 | Anesthesia practice 1,2,3,4 for anesthesia B.S.C students
HUMS Paramedical faculty |
| 2005-present | Intensive care for anesthesia B.S.C students
HUMS Paramedical faculty |
| 2000-2008 | Anesthesia and analgesia for midwifely student |

HUMS Nursing and midwifely faculty

2000-2008

Surgical course(anesthesia segment) for medical students

HUMS Medical faculty

F.II. Clinical / Practical

2002-present Teaching for paramedical and medical students in OR and ICU

2011-present Teaching for anesthesiology residents

F.III. Others

Cpr for medical student

G. Research Projects

2013 Estimation of correct placement of tip of central catheter through two different methods of insertion with using chest x ray

2013 Comparison of combination dexamethasone-metoclopramide with ondansetron in the prevention of postoperative nausea and vomiting after cesarean section under spinal anesthesia

2010 Correlation between GCS and BIS in patients with brain injury admitted to ICU ward of shahid mohammadi hospital

H. Presentations

H.I. Domestic Conferences

- 1. Common perioperative complications of CABG among patients with and without left main lesion presented at international congress of cardiac emergencies.19-21 February 2014.Bandarabbas-Iran**
- 2. Euthanasia according to the Quran,juriprudence and islamic ethics presented at congress of medicine regarding Quran and Sunnah.Feb 2013.Bandarabbas-Iran**
- 3. Decrease in duration of admission and surgical operation frequencies in traumatic patients through providing one coordinating system presented at national congress of trauma and accident.Jan 2013.Bandarabbas-Iran**

4. **Airway management and anesthesia in a patient with complex and rare facial trauma presented at national congress of trauma and accident.Feb 2013.Bandarabbas-Iran**
5. **Correlation between GCS and BIS in patients with mild-to-moderate brain injury presented at national congress of trauma and accident.Feb 2013.Bandarabbas-Iran**
6. **Comparison hemodynamic effects of laryngeal mask airway with endotracheal presented at the 11th international congress of anesthesiology and critical care of iran.12-14 Jan 2011.Ahvaz-Iran**
7. **The comparison of general and spinal anesthesia on apgar scores of newborns after cesarean section presented at the 11th international congress of anesthesiology and critical care of iran.12-14 Jan 2011.Ahvaz-Iran**
8. **Comparison of pethidine and manesium sulfate in treatment of postoperative shivering presented at the 11th international congress of anesthesiology and critical care of iran.12-14 Jan 2011.Ahvaz-Iran**
9. **Bandarabbas depatment of cardiovascular surgery:patient profile presented at the 11th international congress of anesthesiology and critical care of iran.12-14 Jan 2011.Ahvaz-Iran**
10. **The comparison effects of alfentanil with remifentanil on cardiovascular responses of laryngoscopy and tracheal intubation presented at the 11th international congress of anesthesiology and critical care of iran.12-14 Jan 2011.Ahvaz-Iran**
11. **The efficacy of amiodarone and lidocaine for prevention of reperfusion ventricular tachycardia presented at 1st international congress of iranian society of cardiac anesthesiologists.10-13 May 2011.Isfahan-Iran**
12. **Comparison of voluven,gelatin and ringer solutions on hemodynamic status of CABG patients presented at 2nd iranian congress of cardiothoracic and vascular anesthesia.13-15 May 2009.Yazd-Iran**
13. **The anesthetic management of child with CHARGE syndrome for shunt operation presented at 2nd iranian congress of cardiothoracic and vascular anesthesia.13-15 May 2009.Yazd-Iran**
14. **A new drug selective alpha4beta2 nicotinic acetylcholine receptor partial agonist approved for smoking cessation presented at the first regional (EMRO) congress on Tobacco and health.28-30 Jan 2009.Kish island-Iran**
15. **Approach to smoking cessation in general practice presented at the first regional (EMRO) congress on Tobacco and health.28-30 Jan 2009.Kish island-Iran**
16. **Different aspects of smoking cessation in women presented at the first regional (EMRO) congress on Tobacco and health.28-30 Jan 2009.Kish island-Iran**

17. Comparison of oral atenolol and amlodipine for controlling the acute hemodynamic response to electroconvulsive therapy presented at 10th Iranian congress of anesthesiology.8-10 October 2008.Tabriz-Iran
18. Comparison of tramadol and pethidine effect on pain relief after cesarean section presented at 10th Iranian congress of anesthesiology.8-10 October 2008.Tabriz-Iran
19. Effects of clonidine premedication on hemodynamic changes of electroconvulsive presented at 10th Iranian congress of anesthesiology.8-10 October 2008.Tabriz-Iran
20. Comparison of propofol and thiopental as anesthesia induction agent for cesarean section on newborn Apgar presented at 10th Iranian congress of anesthesiology.8-10 October 2008.Tabriz-Iran
21. Change in blood lactate and glucose levels during CPB in patients undergoing CABG surgery presented at 1st Iranian congress of cardiac anesthesia(update in cardiac care).2008.Shiraz-Iran
22. Cardiac mass presenting with vena cava obstruction and pericardial effusion presented at 1st Iranian congress of cardiac anesthesia(update in cardiac care).2008.Shiraz-Iran
23. Comparison induction dose of propofol and metoclopramide on the prevention of postoperative nausea and vomiting presented at 9th congress of anesthesia and reanimation.2006.Mashad-Iran
24. Comparison hemodynamic changes of propofol and thiopental during induction of anesthesia and tracheal intubation presented at 9th congress of anesthesia and reanimation.2006.Mashad-Iran
25. Total spinal anesthesia,difficult intubation and ventricular fibrillation following spinal anesthesia in cesarean section(case report) presented at 9th congress of anesthesia and reanimation.2006.Mashad-Iran
26. Comparison hemodynamic changes and decrease in stress of two anesthetic agents propofol and midazolam during gastrointestinal endoscopy of children presented at 9th congress of anesthesia and reanimation.2006.Mashad-Iran
27. Comparison of two different doses of dexmedetomidine to attenuating cardiovascular response during laryngoscopy and endotracheal intubation: A double blind, randomized, clinical trial study. 12th international congress of anesthesiology , critical care and pain.2015 Tehran- Iran
28. Comparing the Conventional 15 centimeter and the C-Length approaches for Central Venous Catheter Placement. 12th international congress of anesthesiology , critical care and pain.2015 Tehran- Iran
29. Evaluation Diagnosis and Treatment of pulseless Electrical Activity (PEA). 12th international congress of anesthesiology , critical care and pain.2015 Tehran- Iran

H.II. International Conferences

- 1.** The efficacy of amiodarone and lidocaine for prevention of reperfusion ventricular fibrillation presented at 27th annual meeting of EACTA.23-25 May,2012.Amsterdam,Netherlands
- 2.** Pregnancy and cesarean section in a patient with ischemic heart disease presented at the 2nd international congress on cardiac problems in pregnancy(CPP).17-20 May 2012.Berlin,Germany
- 3.** A report of three pregnant patients with valvular heart disease who needed anesthesia for their surgical procedures presented at the 2nd international congress on cardiac problems in pregnancy(CPP).17-20 May 2012.Berlin,Germany

I. Students Supervised

2015	Sharifi M	Anesthesiology resident
2015	Pourbahri M	Anesthesiology resident
2014	Goodarzi N	Medical student
2014	Pazooki S	Medical student
2013	Movahedi H	Medical student
2013	Zafarpour H	Medical student
2013	Khezri A	Medical student
2013	Zomorrodian H	Medical student
2011	Eslami A	Medical student

2011	Farhadi	E	Medical student
2011	Estabraghnia	H	Master of science
2010	Sattari	S	Medical student
2008	Kouchebaqhi	D	Medical student
2008	Shakeri	S	Medical student
2007	Zarepour	M	Medical student
2006	Sahraeian	M	Medical student
2005	Mousavi	A	Medical student
2005	Paymard	M	Medical student
2005	Khezri	A	Medical student
2005	Esmaeili	O	Medical student
2004	Yadegarfar	V	Medical student
2003	Razmpour	M	Medical student
2003	Shaerzadeh	F	Medical student
2002	Partabian	F	Medical student
2001	Biqham	E	Medical student
2001	Ranjbar	E	Medical student

J. Scientific-Executive Records

2009-Present Chief of anesthesia group-HUMS

2013-2014 Manager of EDC-HUMS

2003-2008 Manager of educating office –HUMS

K. Honors, Awards and Inventions

L. Professional Memberships

**2000-present Member of iranian society of
anesthesiology**

**2009-present Member of Iranian Society of
cardiothoracic anesthesia**

M. Research Interests

Cardiothoracic anesthesia

Acute pain management

Regional anesthesia

Airway management

N. Cultural & Social Activities

O. Referee

Dr. Abdolrasool Farbod

Dr. Hasan Nikkhoo

Dr. Rasool Farastkish

Dr. Foroozan Yazdani
